

Bethel Colony of Mercy

Sunday, April 7th

Bethel Colony is a non-profit Christian ministry to men and (now in 2018 at a nearby facility) women in bondage to alcohol and/or drug addiction. We look forward to having two opportunities to minister to them this year with dinner and an evening of worship.

Date: Sunday, April 7th

Time: 3:00 – 9:30 pm

Cost: None

Dinner will be provided

Bussing will be provided, meet in the loop at 3:00 pm and we will return at approximately 9:30 pm. (Some teams may need to leave earlier and will be notified by ministry team leader, transportation will be provided.)

We would like everyone to join us at Bethel Colony for this event. We have need for production, band, vocals, choir, visual arts, food service, spoken word, dinner table hosts, and just your presence worshipping in the pews with the crowd.

Further detailed information about preparation for this event will be coming soon!
